Eighth Street changes to Georgetown Street. Entrance to the Canton Bloom Cast facility is on the left. Visitor parking is available across the street.

Standard of Dress for Plant Visitors

Safety is of the utmost concern here at Republic Engineered Products. Not only for our employees, but also for those who visit our facilities.

Please be advised in advance that skirts, dresses, shorts, high heeled shoes, and open toed shoes are not permitted in the plant. It is recommended that long sleeves be worn as well as steel toed shoes, or work boot-type shoes. Preferably shoes that tie.

Upon your arrival, you may be provided with a hard hat, safety glasses with side shields, ear protection and a flame retardant jacket. All or part of that equipment will be required depending on what areas of the plant you visit.

Our concern is for your well being. **No cameras are permitted.**
